AMENDMENT

Box Sequence
Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the Office Action dated September 14, 2001, response to which was due December 26, 2001, to which the time for response has been extended, the Examiner is requested to enter the following amendment and consider the following remarks:

IN THE SPECIFICATION:

Kindly enter the attached "Sequence Listing" into the specification of the above referenced application and delete any "Sequence Listing" that may already exist within the specification.

REMARKS

A correct CRF diskette and a paper version of the "Sequence Listing" are provided herewith. Applicants hereby state that the contents of the CRF diskette and the paper version of the CRF are identical. No new matter has been added by the amendment.
